old Preschool**

September 14

**First Home & School
Meeting**

Looking Ahead:

October 12

**Picture Day, Home &
School Meeting and
Back to School Night**

Welcome Back to School!!!!

I cannot believe that summer is officially over! It makes me sad and happy all at the same time. I am looking forward to spending time with all of the students and parents this year and beautiful fall weather, but I am sure sad to see pool days spent with my kids disappear.

As you all know the first day of school is August 29th. The earliest that a child can be dropped off is 7:15. Dismissal is at 2:30. Please dress your child in their uniform. Gym day is still Tuesdays. Dress for gym class is plain grey t-shirt or SSCD tee and navy blue shorts.

Lunches are \$1.85 this year and milk will be \$.50. As last year you can see your lunch balance on the Teacher ease website.

When sending anything to the office please make sure that it comes in an envelope that is labeled with your child's name and what is inside. This will prevent confusion and possible mis-

takes.

Once again if your child is sick, school work will not be available until 2:30. This time allows the teacher to adequately get all your child's assignments ready.

There is no school van this year. If your child is going to ride the public school bus you must notify the school district. Also if your child is not riding on a particular day, you need to notify our school and the public school.

Honestly our school webpage is your best source for information. The school calendar has the upcoming events. Each month the lunch menu is updated. Each teacher has a weekly newsletter available. The student handbook is also available to you through the website. The teacher ease link gives you access to your child's progress, assignments and lunch fees. If you do not yet have access to teacher ease I need you to provide me with an email ad-

dress to get you set up.

As many of you know I am a big tech geek. With any luck within the next week or two, this newsletter will be replaced with a separate webpage much like the preschool one I set up. On it you will have many links to reoccurring questions throughout the year.

As always if you have any questions or concerns please feel free to contact me!
