

Welcome Back!

Welcome back to the start of another school year. This time of year finds everyone busy with settling back into familiar routines, homework, and the start of fall sports. While you look ahead to the coming months, we hope that you will take some time to think about the upcoming SSCD Home & School Events.

The SSCD Home & School Association will continue to meet **the second Wednesday of every month at 6:30pm** in the school lunchroom. These meetings are eligible for one Category B service hour and are generally informational. Childcare is no longer provided as it has become a hardship to find a responsible adult to assume this task. So, bring and leave your children to play at your own risk. Please realize that the gym is also in use by basketball during this time of year so it is not a guarantee that children may go into the gym and play during the meetings.

We have worked over the summer to come up with some new events and to try to improve on our traditional events. Again, we have tried to limit the amount of fundraising that is necessary so please make your best effort to participate in those that are set forth. We hope that you will consider joining us in our efforts to make this year a great one for our children. We welcome all input and help at any level. No amount of volunteer time is too small, every minute helps! We are looking forward to seeing as many parents involved as possible.

If you are new to Home & School, come and see what a great year we are going to have. If you haven't been in awhile, come back and see what's new this year. We look forward to seeing you at the first meeting. Please feel free to contact any Home & School officer at any time with questions or concerns.
