

# Mrs. DiPietro's First Grade News!

**August 2010 - 2011**

Dear Parents,

I can't believe August is here already! I hope all of you are enjoying your summer. At this time of the year, we are starting to think about school. I love teaching first grade and can not wait to teach your children. They will learn so much. Reading in First Grade is amazing!

If you have any questions about First Grade before school starts, please e-mail me at [jeaninedipietro@comcast.net](mailto:jeaninedipietro@comcast.net). I will be happy to answer any of your questions. Please look over the First Grade Supply list. I like the students to have all of their supplies the first day of school.

**ENJOY THE REST OF YOUR SUMMER!**

*Mrs. DiPietro*
